

2018 Annual Region 8 Water Finance Forum

The Sustainably Managed Utility

Sustainable practices support water infrastructure
and create sustainable communities.

The National Rural Water Association Environmental Finance Center working in partnership with the EPA Region 8 office and the EPA Water Infrastructure Resiliency Finance Center will host a finance forum focusing on the needs of Region 8 communities.

Come learn how your utility can:

- ◆ Increase financial viability and access to funding
- ◆ Improve customer satisfaction
- ◆ Develop operational resiliency
- ◆ Ensure water resource adequacy
- ◆ Build stakeholder understanding and support

Attendees include: *Drinking water & wastewater utilities, water sector professionals, community leaders, technical assistance providers, and regional funders*
